

NATIONAL CALL-IN DAY

TO BAN FRACKING

**Tell President Obama:
Americans don't want fracking!
BAN IT NOW!**

President Obama faces several key decisions about gas exports and whether to open additional federal lands and protected areas to fracking. As we lead up to his state of the union address, let's deliver a powerful message that fracking is not the answer.

WHAT TO DO

Call President Obama at
888-660-2594

Tell him:

“Fracking threatens the air we breathe, the water we drink, the communities we love and the climate on which we all depend. Don’t pursue policies that promote fracking and the export of natural gas. **We need to ban fracking now!**”

**Tell your friends to join the
National Call-in Day to Ban Fracking!**
